

## 4A Enseignement d'ouverture

### International Economic Law and Policy

**Nom de l'enseignante :** Anne KLEBES-PELISSIER, Maitre de conférences en droit public, HDR.

#### **Résumé :**

International Economic Law and Policy deals mostly with:

- the presentation and functioning of the World Trade Organisation which was created in 1995, but which is currently facing a specific crisis.
- the Dispute Settlement System of the WTO and the analysis of its case law.
- the trade policy of member States of the WTO in the context of the over mentioned crisis.

#### **Bibliographie sélective:**

Selective bibliography will be discussed with students at the very beginning of the lecture
